## DJ Service

### Please take note of the following

- From now, no alterations will be accepted regarding all the arrangements for your function, unless otherwise arranged.
- Please double check the content of the final invoice and fax back a signed copy of it along with this document. Once signed, Mobile DJ will not add any other items to it.
- Please stick to the agreed time schedule, we cannot change it on the day of the event as we work on a very tight schedule.
- Please organize final payment on the day of the event and provide the proof of payment to our DJ upon arrival if the balance was still outstanding. **(Please note that we will not start with the set up without the final proof of payment in hand or the invoice paid up in full.)**
- We will arrive approximately 2 hours before the agreed set up time and will not continue over the agreed cut off time unless overtime rates have been paid before the extended time.
- Please ensure we have a dedicated power supply.
- Please ensure that there is sufficient cover and lighting for the DJ area in case of bad weather.
- Our DJ will only answer to one person in charge who should be there upon arrival to show them where to set up.

Please sign and fax the terms back to us.
